**CSCM**

**Certified Supply  
Chain Manager**

## WHAT'S CSCM?

It's the ISCEA designation of Certified Supply Chain Manager. This program is designed to provide you the opportunity to demonstrate your mastery of the body of knowledge relating to the supply chain. It is designed, combining theory and current industry practice, to provide insight and support for daily decisions. In addition to the in-depth coverage of the standard supply chain tools, strategies and methodologies, it also covers topics such as Leadership, Theory of Constraints, Lean six Sigma, and Operational Accounting. A CSCM designation demonstrates that you are both an expert in supply chain theory, and as a practitioner. It demonstrates your capability to manage and lead a modern supply chain organization. It demonstrates your expertise.
