About ISCEA

ISCEA, The International Supply Chain Education Alliance, conducts many workshops to improve the knowledge of Manufacturing and Service industry professionals worldwide. ISCEA's mission is to be a single source for Total Supply Chain Knowledge through Education, Certification, and Recognition. ISCEA is the developer of internationally recognized certification programs of Certified Supply Chain Manager (CSCM), Certified Supply Chain Analyst (CSCA), Certified Lean Master (CLM), and Certified RFID Master (RFIDSCM). ISCEA is the governing body for the Ptak Prize. ISCEA members typically hold mid to upper supply chain management positions in Global 2000 companies.
